Massages

DEEPTISSUE or RELAXING MASSAGE

This massage eliminates accumulated tension and promotes a state of deep relaxation. It will provide a real moment of let it go. Depending on your needs, it may be mild or more toned as it is composed of fluid and enveloping movements or stretching, kneading and percussion, allowing deeper muscle relaxation.

AYURVEDIQUE MASSAGE

Is a system of medicine from India. Our ayurvedic massage will relieve you from muscle knots, strengthen the muscle tone, giving a feeling of overall wellbeing.

BEAUTIFUL LEGS

Lymphatic Drainage Massage increases circulation and drains retained water and toxins from the body. We use traditional wevelike movements on the legs. This massage will help you to reduce swelling. We use herbal oil «Drainage» or «slimming oil» to increases the benefits.

BACK MASSAGE

This gentle and depth massage will relieve muscle tension in the back, shoulders, neck and arms. Supplemented by a head massage, it will help you find relaxation and give you a real feeling of lightness. A specific biological oil is applied to realize this massage.
